3.0				
4.1	Shop Update	<ul style="list-style-type: none"> County is building a new fire hall in Seven Persons. It will be big enough for the fire truck and the grater. The fire hall will be empty. It is a reasonably good space, but the school would still like something on our property. While we fundraise (likely \$1M) we will use the space. The division is hiring a grant writer. The school would go to the grant writer with requests for money. We may also get a loan from the division and our fundraising would be a down payment. The current firehall isn't quite big enough and it is more public. If we use the firehall we are still tied to the county vs. independent. More can go into a shop on site. 		
4.2	Gala – Sat, April 29	<p>Motion needs to be made for intent to spend funds</p> <ul style="list-style-type: none"> No longer called the Gala, tickets are for sale (\$50/ticket). Ideally, we want to sell 200 tickets. Contact Krista, Tanis, or Marci for tickets Do we need auction items? There is a fridge and \$500 worth of meat. Steak and Lathe wants to contribute something Is there a list of donors? Will need volunteers for set up on Friday and clean up. No motion is required for intent of spending at this time.
