

It's that time of year again – can't believe we're already planning for next year! Here is a list of events that School Council has organized in the past, but at any time anyone can organize another event of their choosing. **If no one/not enough people sign up to organize an event – the event will not be held next year.**

❖ **School Council Hot Lunches** – we usually have one each month (the day can be chosen to work with your schedule). We have a 'playlist' of past hot lunches that have been organized with tips and amounts, but if you have a new idea – that's great. We try not to make it 'fast food' as the students get that already with the school hot lunch.

We will contact the parents of the grade your child is in to look for helpers
